

# RelaBee White Paper

---

## Built on Connections and Trust

---

### 1. Introduction

Welcome to **RelaBee**, the meme token that goes beyond the buzz to build a hive of connections, trust, and relatability. Inspired by the beauty of community and the simplicity of trust, RelaBee brings people together in the crypto space with its playful yet purposeful approach to decentralized finance.

We believe that memes are more than just entertainment – they are cultural connectors. RelaBee harnesses this power to create a token that resonates with everyone, delivering fun, freedom, and financial opportunity.

---

### 2. Mission Statement

Our mission is to create a token that stands out not just as a meme but as a symbol of community-driven innovation. RelaBee is about building relationships, fostering trust, and creating meaningful connections in the decentralized world.

---

### 3. Tokenomics

**Total Supply:** 100,000,000,000 (100 billion tokens)

**Allocation:**

- **25% Owner:** Reserved for the project's creator, with 40% of these tokens locked for 3 months using UniCrypt.
- **5% Marketing:** Dedicated to buzz-worthy campaigns, partnerships, and promotions.
- **70% Liquidity:** Allocated to the liquidity pool and locked for 6 months using UniCrypt to ensure stability and trust.

**Locking Details:**

- **Liquidity Lock:** Ensures 70% of the total supply remains secure for 6 months, adding investor confidence.
  - **Owner Token Lock:** 40% of the owner's allocation will be locked for 3 months, emphasizing our commitment to the community.
- 

### 4. Roadmap
